MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

MAY 25, 2004

**MANAGEMENT WEEK**

Responsible and resourceful management practices are key ingredients in the successful operation of Los Angeles County government, business, and industry.

The National Management Association, with over 27,000 members nationwide, advocates sound management practices and is devoted to the success of our free enterprise system through the important contributions of its members' talents and energies to ensure the smooth operation of business.

This year marks the 25th Annual Management Week in the United States, highlighting the development and recognition of management as a profession and the promotion of our American competitive enterprise system.

I, THEREFORE, MOVE that the Board of Supervisors proclaim the week of June 6 through June 12, 2004 as Management Week in Los Angeles County.
